Clients who prefer one-on-one training or who have specific needs, can arrange for a member of our staff to come to their site for two days of comprehensive training or consultation.	Using desktop-sharing technology, we can remotely observe your computer's screen during training. We see what you see and talk you through each step, using your data. Great for assistance with specific projects or helping new users learn general techniques.	One-on-one training at our office in Fort Washington, PA (suburb of Philadelphia). We'll work with you to design a customized agenda to fit your needs. You'll receive training on your data and your screens in our state-of-the-art conference room. Ideal for local clients or anyone wishing to travel to the Philadelphia area! We're less than one hour from historic Philadelphia.	No matter what your role is at your nonprofit, DonorPerfect has a Training Track to match your needs. Plus, we designed special training for new staff members. Find the package that matches your needs! Get more details.
